THE

SPIRITUAL MAGAZINE.

SHIRITUALISM is based on the cardinal fact of spirit communion and influx: it is the class to discover all truths relating to man's spiritual nature, capacities, relations, duties, with, and destiny; and its application to a regenerate life. It recognises a continuous linus spiration in Man; it aims through a careful reverent study of facts, at a knowledge of the law and principles which govern the occult forces of the universe; of the relations of spirit to setter, and of man to God and the spiritual world. It is thus catholic and progressive, lading to true religion as at one with the highest philosophy.
